

Museum Galleries

Whether you are a child at heart, a serious collector or both, you will be amazed by the breadth and size of our collection. For the teddy bear collector, this is one of ten major teddy bear museums in the world and one of the few in the United States.

Only 3,000 of the collection's historical and contemporary dolls and teddy bears from around the world are on display in the museum's three galleries, and more are being added. Many of the pieces are one-of-a-kind creations or limited editions by some of the world's leading doll and teddy bear artists.

California's rich heritage of doll and teddy bear artists and manufacturers is one of the major highlights of the collection. The various ethnic groups that have contributed so much to the rich cultural diversity of the State are reflected in the displays, and the influences of Santa Barbara artists and celebrities on the doll world are also recognized.

Gift Shop

The gift shop offers a variety of dolls, teddy bears, books and related collectibles. There are limited edition and one-of-a-kind artist dolls and teddy bears as well as both recent and out-of-print books available.

Tea Room

This is the perfect place to meet friends and family for a lovely afternoon. After viewing the exhibits, enjoy a complimentary cup of tea or coffee while enjoying the beautiful murals of a doll and teddy bear tea party and a teddy bear picnic in Santa Barbara.

Research Library

The library is a research collection and is available by appointment only. It is the largest known collection of books on the topics of dolls, doll houses and teddy bears, containing nearly 10,000 volumes.

The museum is open from 11 a.m. to 5 p.m. on Friday, Saturday, Sunday and Monday. It is recommended that you call (805) 730-1707 for schedule changes and closures. Leave a message if you have any questions.
